Sunday 29 February  
MAC  
Cannon Hill Park  
Birmingham  
B12 9QH

See over 30 of the country's most active, lively and entertaining storytellers in one gigantic showcase. This unique event will be held in the comfortable surroundings of MAC, Britain's liveliest Arts Centre.

Storytelling is very popular with audiences. Regular events such as Storytelling Café in the Midlands, regularly sell out in advance

The past decade has seen a huge rise in the amount of storytelling in Britain. However the national guest list has remained largely unchanged

There are few opportunities to view new storytellers at work and assess their value as performers. Many storytellers work in private or non-public circumstances.

At the Hiring Fair you will be able to see and assess storytellers in a theatre environment.

At the Hiring Fair storytellers will present a ten minute spot of their best work - which may be a whole piece or may be an extract
